RE: CC Docket 96-95 – Certification for Non-rural Companies  
CC Docket 96-45 and 00-256 – Certification for Rural Companies

Attached please find copies of the letters we sent to you certifying rural and non-rural companies for high-cost support in the above dockets. Our records indicated that the FCC mailroom received these documents on September 12, 2002.

However, there was a mix-up in getting these letters to the Universal Service Administrative Company, where they were received in New Jersey but not forwarded to Washington. Out of an abundance of caution and at the USAC's suggestion, we are resubmitting these letters to you.

We have, of course, now submitted copies of these letters to the USAC at the appropriate address.
